Subject Index, Volume 192

Acculturation, psychiatric disorders among Mexican Americans, 532
Acute stress disorder, attribution of responsibility and, hospitalized burn patients, 304
Adjustment outcomes, one-month recovery from SARS, Chinese patients, 868
Adolescents
  conduct disorder, defense mechanisms in, 139
  depression, parental bonding and, 650
  never-medicated, first-break psychosis in, 615
  psychiatric inpatients
    self-reported reasons for cutting themselves, 830
    suicidal behavior and self-disclosure, 837
  psychopathology, parents with dysthymic and major depressive disorder, 193
Adverse reactions
  antipsychotic medications, clinician and patient concerns about, 328
  mass urban disaster, studying persons recently exposed, 515
Aggression, suicidal behavior and mild traumatic brain injury, in major depression, 430
Aging
  falls and, in Alzheimer patients, 570
  older women, caregiving stress effects on cognition, 51
  veterans, combat-related PTSD and specialty care, 75
Agoraphobia, social anxiety and, in eating disorders, 784
Alcohol abuse, distinction between dependence, core symptoms, 494
Alcohol consumption, associations with depression, harm and abuse, young adults in college, 269
Alcohol craving, symptoms of PTSD and, in combat veterans, 389
Alcohol dependence, craving and withdrawal as symptoms of, 494
Alliance
  development of a inpatient treatment alliance scale, 487
  therapeutic, schizophrenia, neurocognitive correlates of, 508
Alzheimer's disease, falls and age in, 570
Anger, hostility and, PTSD, physical health status and, 563
Anorexia nervosa, personality traits after intensive treatment, 129
Antidepressant medications
  depression and mania, in rapid-cycling bipolar disorder, 602
  efficacy trials, exclusion criteria used in, 87
  treatment response to questionnaire, test-retest reliability, 95
Antipsychotic medications
  effects on hospitalization risk, schizophrenia, 119
  serious cardiovascular events and, 19
  side effects, clinician and patient concerns about, 328
  transient psychotic episodes induced by, oculogyric crises and, 164
Antiretroviral therapy, HIV/AIDS patients with severe mental illness, 395
Antisocial behavior, anxiety and, large community surveys, 178
Anxiety
  children with malignancies, psychiatric morbidity and quality of life, 872
  depression and, stability in adults with HIV, 111
  experiential avoidance in PTSD and, 754
Anxiety disorder, comorbidity with antisocial behavior, large community surveys, 178
Asylum seekers, Iraqi, impact of long asylum procedures in The Netherlands, 843
Attachment, in somatoform disorders, 200
Attachment styles, violence within couples and, 857
Attention deficit hyperactivity disorder, a worldwide concern (editorial), 453
Axis II diagnosis, dysphoric Q-factor validity, 479
Biological and chemical warfare, threat of, reaction of Israeli psychiatric inpatients, 318
Bipolar disorder
  age of onset, middle-aged and elderly adults, 796
  childhood and adolescent adjustment in adult patients, 187
  depression, quality of life in, 792
  HIV/AIDS with, antiretroviral adherence, 395
  identifying psychosocial issues, qualitative approach to, 810
  outpatients, drug dreams, 238
  rapid-cycling, depression and mania in, 602
  schizophrenia and, drug-free, neurocognition comparison, 464
Blink rate, sustained attention and, neurological signs of schizophrenia, 781
